Good morning!

I am getting ready to start preparing contract amendments for this additional funding, and had not heard from you with regards to any additional funding needs. Please let me know by the end of the day tomorrow if you would like to request additional funding, and if so, how much you can spend in the remainder of this fiscal year. If you do not want additional funding, please let me know that as well.

Thanks,

Emily Kraft

Hello all,

Many of you have claimed more expenditures than we have paid you for the last "quarter," which indicates that there may be some additional funding needs as we finish out the fiscal year. There is some funding that was not spent during the first half of FY17 that I am looking at allocating on the June invoice. Please let me know if your organization is in need of additional funding for the remainder of FY17, and provide an reasonable estimate that you think you will be able to spend before the end of the fiscal year.

Thanks,

Emily Kraft
